

Self – Audit Checklist

NACB LAB TESTING & PRODUCT INTEGRITY CHECKLIST

POTENCY

Y N

- Does your label for potency have less than a 15% variance from the lab test?

LAB INDEPENDENCE

Y N

- Do you refrain from contracting with labs to perform testing if you have a percentage ownership in the lab?

LAB ACCREDITATION

Y N

- Has your testing lab received ISO/IEC 17025 accreditation if required by state law?

TESTING CLAIMS

Y N

- Do you refrain from making any statement regarding contaminant levels unless you have verified such claims by lab tests?
